## PSYCHOSOCIAL RISKS OF SMARTER WORKING

May 26<sup>th</sup> 2022 | 02.00 pm CET

In this webinar you will learn:

- How the modern working landscape is changing and the considerations and requirements of OSH professionals in the face of these changes
- How to strengthen a company's preventive culture from the perspective of social and physical risks
- Best practices for managing risks arising from smarter work
- Initiatives from different European countries in the management of psychosocial risks

Hosted by Claudio Munforti, Deputy Chair at ENSHPO, we are delighted to welcome three ENSHPO members to share their insights into the Psychosocial risk of Smarter Working across Europe:

**Ruth Wilkinson (IOSH)**

Head of Health and Safety (Policy and Operations), IOSH  
'Flexible working and the work/life balance'

**Mateusz Warchał (OSPSBHP)**

Ph.D., specialist in occupational psychology - FOURLEX legal and advisory consortium  
"Enterprise management and organizational culture versus the well-being and mental health of employees in the context of work safety."

**Cláudia Fernandes (SPOSHO)**

CATIM – Technological Center for the Metal Working  
'The Portuguese Observatory on Occupational Psychosocial Factors: From science to practice'.
